ITS Now announce the publication of the European ITS Congress 'ITS Edge' Magazine for ERTICO – ITS Europe.

Working with **ERTICO – ITS Europe**, **ITS Now** have produced a special edition of **ITS Edge Magazine** for the European ITS Congress being held in Seville between the 19th and 21st May 2025.

The original content includes an interview with ERTICO - ITS Europe CEO Joost VANTOMME, where we discuss how ERTICO plan to translate the 'Clean, Resilient and Connected Mobility' congress from buzzwords into tangible actions.

We also have an article by Dr Eusebiu Catana (Senior Consultant at ERTICO), who provides innovations and technologies which were showcased at the congress, and we talked to Coen Bresser (Senior Manager for Innovation and Deployment at ERTICO), about emerging issues for the use of AI in traffic systems. In addition, we look at the themes for the congress and examine 'Societal Needs' and 'Resilience & Safety' in more depth.

Many of the articles are also linked to videos on our YouTube Channel, @ITSNow, look for the links and QR codes in the different articles.

ITS Edge is more than just a magazine; it's a community. We encourage active participation and dialogue, fostering a collaborative environment where industry leaders can share best practices and address pressing challenges.

Join us as we explore the frontiers of ITS, shaping the future of mobility, and paving the way for safer, more efficient, and sustainable transport systems. With **ITS Edge**, you'll stay ahead of the curve, gaining the knowledge and insights needed to navigate the dynamic world of intelligent transport.

Notes to Editors

ITS Now - Intelligent Transport Systems, explained.

Bio

Alistair Gollop is the Founder of **ITS Now** which exists to promote best practice and professional development within the Intelligent Transport Systems (ITS) sector. **ITS Now** originates resources ranging from videos, reference books and guidance documents through to **ITS Edge Magazine**, informative references and educational content.

Alistair is a recognised Intelligent Transport Systems industry figure with over 30 years in-depth experience, resulting in an extensive specialist knowledge of traffic systems. He is a freelance consultant at **The Alistair Gollop ITS & Traffic Signal Consultancy** (www.AlistairGollop.com) carrying out a wide range of Intelligent Transport Systems and Traffic Signal related consultancy services. A former Technical Principal at Mott MacDonald, he has particular experience in preliminary equipment assessments, due diligence reports, field trials and integration into traffic systems and has a detailed knowledge of specialist technologies and equipment, standards and statutory requirements, along with ancillary issues, such as passive safety and the implications these pose on the design and management of traffic system installations. As well as the UK, Alistair has worked in diverse locations across Europe, South America, Africa, the Middle East, Asia and Australasia. He is the author of the well-respected "Traffic Signals" and "Traffic Control" books, along with "ITS Edge" Magazine and numerous articles for publications. In addition to presenting at conferences, he is a

regular panellist and facilitator at events. As the Chair of the Professional Development Portfolio, he sits on the executive board of The Institute of Highway Engineers.
